ADVICES FOR USE AND DURATION SCENTED CANDLES

Place the candle on a flat surface, away from drafts and flammable materials.

Carefully light the candle, preferably using a long lighter for candles.

Lightly cut the wick making sure it is at least 1 cm high.

Make sure the wicks are always upright. Check that the wax is free of residues.

It is recommended not to keep a lit candle for more than 2 hours, do not leave it unattended and do not move a candle while it is lit.

For proper use of the products, carefully follow the instructions for use on the package.
