

## COSTIERE E FARAGLIONI

*Cheerful, fresh, transparent!*

*The citrusy blend of Sweet Lemon, Grapefruit and Tangerine infuses a cheerfulness typical of the Amalfi Coast. The aquatic accents evoke the depth of the cobalt blue sea that shimmers with the sun's glare. The redundant bouquet of Zagara, Neroli, Magnolia and Rose is caressed by the aromatic Mediterranean accords of Sage and Rosemary. Sophisticated Sea Woods bleached on scalding rocks give an exceptional marine touch to the composition.*
