

## VERONA

### IL BALCONE DELL'AMORE

*Romantic Verona is capable of whispering stories of overwhelming past loves... The hesperidian notes of Lemon and Bergamot trill like beating hearts, the finest Sichuan Pepper adds a thrill to the anticipation of seeing each other again. Like lovers in love, the notes of Violet and Magnolia hold each other, wrapped in a light spicy breeze of Cinnamon and Star Anise.*

*An enchanted dreamy journey permeated by the precious notes of Mysore Sandal and Tonka Bean. The soft warm muscs cloak the composition in an aura of eternal harmony..*
